SPECIAL ATTENTION

This is a CONDOMINIUM PROJECT, **not** a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is **not** a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

Because no immediate sale of either Home is contemplated, no real estate broker has been selected to represent the Developers. This public report shall not be valid for the sale of either Home until the Developers have submitted to the Commission a duly executed broker listing agreement with a Hawaii-licensed real estate broker, and an updated disclosure abstract identifying said sales agent, a copy of which shall be attached to this public report.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests and other information relating to the condominium project.

The Declaration for this condominium is:

☐ Proposed
☒ Recorded - Bureau of Conveyances Document No. 94-102701
Book _____ page _____
☐ Filed - Land Court Document No. _____

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]: Amendment to the Declaration of Condominium Property Regime of 68-084 Akule Street dated July 28, 1994, recorded at the Bureau on August 4, 1994 as Document No. 94-129836.

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

☒ Recorded - Bureau of Conveyances Condo Map No. 2049
☐ Filed - Land Court Condo Map No. _____

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

☐ Proposed
☒ Recorded - Bureau of Conveyances Document No. 94-102702
Book _____ page _____
☐ Filed - Land Court Document No. _____

The Bylaws referred to above have been amended by the following instrument [state name of document, date and recording/filing information]:

- D. **House Rules**. The Board of Directors may adopt house rules to govern the use and operation of the common elements and limited common elements. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial house rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed ☐ Adopted ☒ Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners**: Minimum percentage of common interest which must vote for or give written consent to changes:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advise of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a. ☒ No variances to zoning code have been granted.

☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but does not now conform to present zoning requirements.

| | <u>Conforming</u> | <u>Non-Conforming</u> | <u>Illegal</u> |
|------------|-------------------|-----------------------------|-----------------------------|
| Uses | <u>X</u> | <u> </u> | <u> </u> |
| Structures | <u>X</u> | <u> </u> | <u> </u> |
| Lot | <u>X</u> | <u> </u> | <u> </u> |

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ described in Exhibit "C".

☐ as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit "D".

☐ as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☐ described in Exhibit _____.

☒ as follows:

Each Home shall have appurtenant thereto an undivided 50% interest in the common elements of the project.

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "E" describes the encumbrances against the title contained in the title report dated May 26, 1994 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

| <u>Type of Lien</u> | <u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u> |
|---|---|
| Mortgage (American Savings Bank, F.S.B.) | Buyer's interest may be terminated and Buyer may be entitled to a refund less any Escrow cancellation fees. |

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Assignment of Contractor's Warranties, if any.

2. Appliances:

Assignment of unexpired term of manufacturers' warranties, if any.

G. Status of Construction and Estimated Completion Date:

Construction of the Homes has not begun.

Construction is expected to begin within six months from the date the final public report is issued and is expected to be completed within twelve months thereafter.

H. Project Phases:

The developer ☐ has ☒ has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this condominium is:

☐ not affiliated with the Developer. ☐ the Developer or the Developer's affiliate.
☒ self-managed by the Association of Apartment Owners ☐ other _____

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit _____ contains a schedule of maintenance fees and maintenance fee disbursements.

C. Additional Information Not Covered Above

Maintenance Fees:

All costs of every kind pertaining to each apartment and its respective limited common element, including but not limited to, cost of landscaping, maintenance, repair, replacement and improvement shall be borne entirely by the respective apartment owners.

Section 514A-86, Hawaii Revised Statutes, requires the Association of Apartment Owners to purchase fire insurance to cover the improvements of the project, and that premiums be common expenses. Developer anticipates that the Association will elect to permit individual apartment owners to obtain and maintain separate policies of fire insurance and name the Association as an additional insured. In such case, fire insurance premiums will be the responsibility of the individual apartment owners and not common expenses. Developer estimates such annual premiums expenses to be approximately \$1,000.00 per apartment. This estimate was prepared in accordance with general accounting principals.

SUMMARY OF ESCROW AGREEMENT: An escrow agreement (hereinafter called the "Escrow Agreement") detailing the manner in which purchasers' funds are to be handled, has been executed and a copy thereof has been filed with the Commission. The Escrow Agent is OLD REPUBLIC TITLE AND ESCROW (hereinafter referred to as "Escrow"). The escrow agreement, among other things, contains the following provisions:

Sale Contracts Deposited in Escrow. As of when Developer shall enter into a sales contract for the sale of a unit it shall deliver an executed copy of such sales contract to Escrow. Each sales contract shall require that all payments to be made thereunder shall be made to Escrow and shall be accompanied by the initial deposit required thereunder.

Receipt of Funds by Escrow. Developer shall pay over to Escrow all payments made by purchasers under sales contracts. This includes any loan payments from purchasers' lenders. In accordance with Developer's written instructions to Escrow, Escrow shall deposit all funds received in accounts at a federally insured bank, savings and loan association or other financial institution which pays interest on deposits. All interest earned from such accounts shall be credited to the account of seller.

Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow shall be made unless and until the following conditions have been fulfilled:

- a. The Real Estate Commission has issued a final public report (the "Final Report") on the Project; and the purchaser has received a copy of the Final Report and given Developer a receipt for it; and
- b. The requirements of Sections 514A-40, 514A-62, and 514A-63, Hawaii Revised Statutes, have been met. The Developer or Developer's attorney has delivered a written opinion to Escrow stating that all of the requirements of Sections 514A-40, 514A-62, and 514A-63, Hawaii Revised Statutes, as amended, have been met; and
- c. The Developer has given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

Disbursement of Purchaser's Funds. Subject to the provisions of the preceding paragraph, disbursements from the funds held in escrow shall be made not more than once each month on one check by Escrow, without charge, to pay for construction costs in accordance with bills submitted to Escrow from time to time from Developer, which said bills shall have been approved or certified for payment by Developer's construction mortgagee or a financially disinterested person. The balance remaining in escrow shall be disbursed in accordance with the

directions of the Developer and Developer's mortgagee only upon completion of the buildings of the Project and when Escrow shall have received satisfactory evidence that all mechanics' and materialmen's liens have been cleared or sufficient funds have been set aside to cover such claims.

Return of Funds and Documents. A purchaser shall be entitled to a return of his funds and Escrow will pay such funds to such purchaser, without interest, minus Escrow's cancellation fee, if one of the following has occurred:

a. Escrow receives a written request from the Developer to return funds to purchaser;
or

b. With respect to a purchaser whose funds were obtained prior to the issuance of the Final Report, the purchaser has exercised his right to cancel the agreement pursuant to Section 514A-62, Hawaii Revised Statutes, as amended.

Purchaser's Default. Developer will notify Escrow in writing that a purchaser has defaulted and that Developer has canceled that purchaser's Sales Contract. Escrow will then treat the purchaser's funds, less Escrow's cancellation fees, as belonging to Developer.
to Developer.

EXHIBIT "G"

SUMMARY OF SALES CONTRACT: The specimen Sales Contract contains, among other things, the following provisions:

1. Evidence of Title. Seller shall furnish Buyer evidence of title from a licensed abstractor showing Seller's marketable title to the interest which is to be conveyed to Buyer. If Seller fails to deliver title as herein provided, Buyer at his option may terminate this agreement and any deposits shall be returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer.
2. Risk of Loss and Insurance. Risk of loss and responsibility for insurance coverage passes to Buyer upon transfer of title or occupancy whichever comes first.
3. Default. It is expressly understood and agreed: First: In the event Buyer fails to pay the balance of the purchase price or complete the purchase as herein provided, Seller may (a) bring an action for damages for breach of contract; (b) retain the initial deposit and all additional deposits provided for herein, as liquidated damages; and (c) Buyer shall be responsible for any cost incurred in accordance with this contract. Second: In the event Seller fails to perform his obligations as herein provided. Buyer not being in default, Buyer may (a) bring an action against Seller for damages for breach of contract; (b) file and maintain an action against Seller for specific performance of this contract; and (c) Seller shall be responsible for any cost incurred in accordance with this contract. The foregoing shall not exclude any other remedies available to either Seller or Buyer. In the event of default and/or a lawsuit arising out of this contract (including a suit by a Seller's Broker for commission), the prevailing party shall be entitled to recover all costs incurred including reasonable attorney's fees. All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement to the prevailing party.
4. Time is of the Essence. If either Buyer or Seller for reasons beyond his control cannot perform his obligation to purchase or sell the property by the closing date, then such party by giving escrow written notice prior to the closing date called for in this contract with copies to all parties to this contract, can extend closing for no long than 30 calendar days to allow performance. Thereafter time is of the essence and the default provisions of Paragraph 3 apply. Any further extension must then be agreed to in writing by both parties. There is no automatic right to extend. This provision relates only to the extension of the closing date.
